

ULSTER PREMIER WILL NOT TAKE PART

SIR JAMES CRAIG SAYS SOUTH IRELAND MUST MAKE HER OWN TERMS

Sinn Fein Itself In Contesting Election In North Ireland Recognized Ulster's Right to Self Determination--Believe It Possible to Solve Problem.

(By The Associated Press)
LONDON, July 18.—The Irish negotiations have taken an unexpected development late tonight. Sir James Craig, the Ulster premier, on leaving for Belfast made an important statement which appears to forbid any hope of assembling a conference such as Premier Lloyd George proposed between himself, Mr. DeValera and the Ulster premier.

The Ulster leader maintains that the Sinn Feiners themselves by contesting the elections for the northern parliament on a platform of "no partition" in which they were roundly defeated, have recognized Ulster's claim to self-determination and, so far as his words have been interpreted for the present, he seems to wash his hands of any further participation in the peace negotiations.

Sir James said: "I return home well satisfied with the efforts being made towards peace. Mr. DeValera has broken his silence and cleared the ground by his statement to the press that he proposes to found his claim on recognition of the right of self-determination."

The Ulster premier contended that the people of Northern Ireland in the recent elections "determined" their own parliament by an overwhelming majority and that Mr. DeValera and his friends admitted the right of such self-determination on the part of Northern Ireland by the fact that they themselves stood as candidates for the Northern parliament and submitted their policy of "no partition."

Was the Only Issue
This in fact was the only issue placed before the electorate, said Sir James and "no partition" was rejected by the largest majority ever secured in any general election.

"Such being the true facts," he continued, "it now only remains for Mr. DeValera and the British people to come to terms regarding the area outside of that of which I am prime minister. The people of Northern Ireland make no claim whatever to determine the terms of settlement which Great Britain shall make with Southern Ireland."

"When this is accomplished, I can promise cordial cooperation on equal terms with Southern Ireland in any matters affecting our common interest."

Having reached the present stage I return to Ireland to carry on the practical work of the government. I feel that our interests are ably represented in the imperial parliament, and, of course, our services are available at any moment."

Resume Conversations Thursday
The official announcement issued at the close of a long conference between the Premier and Mr. DeValera will be resumed Thursday. This ordinarily would permit the British public and Ireland still to indulge in confident hope that a satisfactory settlement would ultimately be reached.

"But Sir James Craig's statement, which was given out in the form of an interview has put a damper on the hopeful spirit. The fact that he had thought possible from the first that Ulster might adopt an attitude this sudden dashing of hope that a peace conference would be assembled as an outcome of the separate negotiations of the prime minister with DeValera and Craig is a shock to the public."

The Ulster premier now declares that the British government must reach its own agreement with DeValera and the Ulster is determined to maintain its present status, thus repudiating whole Sinn Fein argument that Ulster is in the minority and must bow to the majority inside.

Still Some Hope
There is some hope however, that when Mr. Lloyd George meets Mr. DeValera again on Thursday, he may be able by some means to rescue the negotiations from the apparent deadlock.

NORRIS MEASURE WILL BE PUSHED BY U. S. SENATE

Made Unfinished Business With Privileged Status

(By The Associated Press)

WASHINGTON, July 18.—By making the Norris bill to create a federal corporation with one hundred million dollars of capital and power to issue one billion dollars of securities in financing farm exports, its "unfinished business" with daily privileged status, the senate somewhat set its future program following recommendation last week of the soldiers' bonus bill.

During the week the senate expects to pass the Sheppard "baby bill," for government aid to maternity and infancy. Other measures in immediate prospect are the Sweet bill to co-ordinate soldier relief agencies, the administration bill for refunding the allied debt and several more farmer relief measures.

Prohibition leaders today urged the senate to take up the beer measure instead of the Norris bill but the senate speeded consideration of the agriculture "bloc."

Vote to Push Norris Bill.

Several senators of the prohibition group voted to push ahead the Norris bill, declaring that the agriculture situation was more critical than the prohibition and that prohibition measures soon would be passed in any event.

The contest between the prohibition and agricultural groups developed that another movement was on foot for a summer recess or adjournment of the senate while its finance committee considers the house tariff bill. Senator Jones, Republican, Washington, opposing any suspension said the Republicans were being pulled on that adjournment question.

He urged the Republican leadership to keep the senate "on the job," declaring so much important business was pending and in prospect that the senate could not afford to adjourn.

Sir James Craig had been summoned. The official announcement shows that Mr. Lloyd George received the Ulster premier and his colleagues after DeValera departed.

Mr. Lloyd George conferred with the Ulster premier alone. The members of the respective cabinets accompanied both Irish representatives but so far as is known did not participate in the conferences with the premier.

LONDON TIMES IS DEPRIVED OF ITS NEWS FACILITIES

Government Refuses Special Facilities for Curzon Attack

(By The Associated Press)

LONDON, July 18.—Announcement that as a result of the recent attack of the London Times on Lord Curzon, the foreign minister in connection with the proposed conference on disarmament, the foreign office had withdrawn the special news facilities hitherto enjoyed from that department by representatives of the newspapers aroused by bombardment of questions in the house of commons today.

The Times in its attack declared Lord Curzon was not fitted by his position, his temperament and his past career to take a direct part in the proposed conference in Washington.

The prime minister, Mr. Lloyd George, in reply to the questions explained that in addition to the routine official and semi-official communications to the newspapers it had been customary to permit the newspaper representatives to make inquiries at the government offices on their own behalf.

"Official information," said Mr. Lloyd George, "remains available to the Times through the ordinary agencies. The fullest courtesy at all times has been extended to its representatives but the special favor afforded it by tradition in the past is entirely withdrawn."

Attitude Not Considered
The prime minister added that the fact of the Times having pursued a course of virulent opposition to the government had in no wise influenced the facilities extended its representatives. He declared that he personally never had made a single effort to induce the withdrawal of a single facility from the Times or its associated newspapers or the attack on Lord Curzon at the time of the latter's momentous and delicate negotiations in behalf of the whole empire seemed to fall below the normal standard of English journalism.

"Fortunately, it is entirely without precedent," said Mr. Lloyd George, "despite its record of recent years, the Times is still supposed in many circles abroad to represent both the educated and official opinion in this country. Here we know it long has ceased to hold that position, but the fact is only becoming known abroad. It is therefore essential that the government as a whole should mark strongly its disapproval of such an attack on the secretary of state for foreign affairs at such a critical moment."

Mr. Lloyd George's statement elicited cheers from the government benches.

ENTERTAINED MEMBERS
OF SUNDAY SCHOOL CLASS

Mrs. Edward Bingham entertained the members of her Sunday school class at dinner recently at her home near Pisgah. In the afternoon all motored to Nichols park, where the children enjoyed the playgrounds for several hours. Refreshments of ice cream and cake were served by the hostess during the afternoon. Among those present were Helen Wood, Mary Pate, Bettie Ann Wood, Cleona Gaines, Bernice Sample and Murtle Witham. The hostess was assisted by Miss Lucinda Mosley.

DR. WOLTMAN TO ENTER
ON NEW DUTIES SOON

The appointment of Dr. H. C. Woltmann as county health physician will date from July 20. The resignation of Dr. Weirich, retiring health physician, is to take effect at that time. Dr. Weirich notified the commissioners several months ago of his desire to retire from the duties of the position.

WILL MEET WEDNESDAY

The Wednesday Social club will meet at the home of Mrs. J. W. Sperry, 860 West College avenue, Wednesday afternoon.

OPERATORS WILL CONTINUE TO RESIST UNIONS

Harry Olmsted Tells Investigating Committee of Senate

(By The Associated Press)

WASHINGTON, July 18.—Determination of coal operators in the Mingo, W. Va., field to continue their resistance to efforts to unionize miners was expressed today before the senate investigating committee by Harry Olmsted, representing the operators in the territory where disorders have occurred.

"The reputation of the United Mine Workers' organization," declared Mr. Olmsted, who was the only witness heard today, "for breaking its contracts and halting or suspending the operation of mines for weeks at a time without just reason or excuse has become notorious in the history of industry."

Operators in the Mingo region the committee was told also oppose the miners' union because of the conspiracy entered into between that organization and the operators of four competitive states—Indiana, Kansas, Ohio, and Western Pennsylvania, wherein it was proposed that the output from this state—West Virginia—should not be permitted to grow but should be suppressed, by means of unionizing, in order that the market might be retained by the competitors of the four states.

Are Opposed to Government
Mr. Olmsted charged that "the general attitude" of the United Mine Workers opposed "institutions of our government" and that restrictions imposed by the "union tends to decrease production, lower efficiency and destroy initiative."

"The operators," the witness continued, "do not propose to surrender the relations that have heretofore existed between themselves and their workmen."

Mr. Olmsted declared he could prove "a large number of instances where strikers or organizers, or gunmen acting for the United Mine Workers and in behalf of their alleged strike have fired upon, killed and wounded soldiers and police officers."

Protected Their Property
"Mine owners of the county have from time to time bought ammunition and guns to be used for the protection of themselves, their workmen and their properties," he said, because prior to January 1, last, officers in Mingo county were apparently without inclination to secure arrests or suppress crime."

Mr. Olmsted contended that since January 1, with better order maintained there had not existed in Mingo what properly could be called a "strike" or a "lockout." Men have returned to the mines and have pursued their work from day to day, almost continuously in the face of gun firing, under insults, and in defiance of the assaults, threats, and intimidations of the organizers of the United Mine Workers.

Mr. Olmsted quoted statistics which he said revealed that miners in the non-union Mingo field were on an average on a higher wage scale than those in a unionized district.

THREE PLEAD GUILTY
TO BOOTLEGGING

Judge Samuel Gave \$100 Fine and Sixty Days in Jail to Each Offender.

In the county court Monday afternoon Leach, Rafferty and Pence, the men arrested by the sheriff's force at Alexander, pleaded guilty to the charge of bootlegging. Judge Samuel gave each of them a fine of \$100 and a sentence of 60 days in jail. The men operate at Wood River and are said to have been on the way to visit relatives in Mason county when they stopped in Alexander and began to dispense a part of the five gallons of booze that they had with them.

Chief of Police Kiloran received a message asking that the men be held for St. Louis authorities on the charge of having stolen an automobile. They were driving an Oldsmobile when arrested. The men had a bill of sale for the car but there may be something shady about the transaction.

PERFECTING PLANS
FOR THE ROUNDUP

Committee Now Have Preparation Work Now Well Under Way.

Plans for the big Wild West Round-Up to be held in this city August 4th, 5th and 6th under the auspices of the Chamber of Commerce are rapidly taking shape.

With the return from Chicago of Carl Hook and W. T. Harmon, who investigated the show and witnessed both afternoon and evening performances that are being held this week at Grant Park and brought back very favorable reports, the executive, Finance and publicity committees began their work. After a number of meetings held yesterday in Chamber of Commerce headquarters the committee fully mapped out every move they are to make until the time arrives for the big event.

Whatever proceeds that are derived from the Round-Up will go toward starting a fund to construct a beautiful bridge across Lake Mauvasterre at Nichols park.

This show will be advertised by the publicity committee for a radius of thirty miles from Jacksonville and it is expected that the city will witness some exceedingly large crowds during the three days of the performance.

OIL GOES ON FREE LIST OF FORDNEY TARIFF MEASURE

Long Staple, Cotton, However, is Placed on Dutiable List

(By The Associated Press)

WASHINGTON, July 18.—Oil went on the Fordney tariff free list today by a house vote of more than two to one.

Long staple cotton, on the free list in the ways and means committee draft, however, was put on the dutiable list at fifteen percent ad valorem, with members in doubt as to what compensatory rates on all cotton goods would be considered necessary by reason of the imposition of a tax on the raw product. There was no explanation of the committee's action in deciding at the last moment not to take the ordinary variety of cotton such as is raised in the south from the free list.

The real flare up was over the oil schedule. It broke at the outset of the session after Chairman Fordney had presented a letter from President Harding opposing the tax and suggesting rather a bargaining provision to be placed in his hands to "guard against the levy of duties against us or the imposition by other nations of export tariffs which are designed to hinder the facilitation of trade."

Vote After Long Debate

The first vote on the contested oil amendment came after three and a half hours' debate. Representative Garrett of Tennessee, Democratic leader, tried to shut off debate at once so that the bill, he explained, might be taken up for amendment under the ordinary five minute rule, but Republicans rejected his proposal by a straight party vote.

Then at the end of the long period of talk the first test was on an amendment by Representative Carter, Democrat, Oklahoma, to cut the committee rates on crude oil from 35 to 25 cents and fuel oil from 25 to 20 cents a barrel. The Carter proposal won 143 to 57, Democrats supporting it solidly on the ground that in event the free oil amendment offered by Representative Treadway, Massachusetts, Republican, member of the ways and means committee, should be defeated, they could help to obtain a lower duty than fixed in the bill.

But there never was any doubt of the temper of the house on the oil question. The Treadway proposition was adopted with votes to spare—187 to 79—on a stand up count, but Chairman Fordney, on the losing side, demanded tellers. The count as members marched down the aisle was 196 to 86.

About half the Republican membership of the committee which imposed the tax after the bill had been printed and after the duty earlier had been rejected, joined the Republican insurgents and almost a solid minority in throwing out the duty. Representative Garner of Texas, ranking Democrat on the committee stood, however, with the oil tariff advocates, led by Representative Chandler of Oklahoma. It was at the latter's insistence that the eleven hour day was put into the bill to protect southwestern wells.

RED CROSS DAY

IN JACKSONVILLE
Friday, August 19, will be Red Cross day at the Jacksonville Chautauqua. Ro Co the health clown who is to appear at the state fair the next week, will be present. He has appeared at many great gatherings during the past few years, and is in great demand as an entertainer. Ro Co in real life is Captain Carl R. Myers, who served overseas during the war.

The local Red Cross is planning to have a number of exhibits at their chautauqua headquarters.

MERCHANT MARINE OF UNITED STATES IS WHITE ELEPHANT

Chairman Lasker of Shipping Board Tells President Harding That it Resulted in Loss of Approximately \$380,000,000 Last Year—Will Ask Congress for \$300,000,000

(By The Associated Press)

WASHINGTON, July 18.—Operations of the shipping board's fleet for the fiscal year just ended resulted in a loss of approximately \$380,000,000, Chairman Lasker of the board announced today. This deficit was greater by \$280,000,000 than previous estimates from official sources and was made following an examination of all board accounts.

The government's venture in the merchant marine business last year involved a total expenditure of \$680,000,000 so far as could be ascertained from the board's books, which Mr. Lasker described as in bad shape. The new chairman estimated that it would cost the government \$300,000,000 to carry on operation of the fleet this year.

In stating that an examination of the books showed that three hundred eighty million dollars had been expended from the public funds of the shipping board last year, Mr. Lasker said that this resulted an astounding case of absolute disipation to the country and congress.

President Astonished
"The president was astonished and dismayed that such a condition could exist when I laid these figures before him this afternoon but he wanted me to give the public the facts," he added.

Total expenditures over the receipts appeared to be approximately three hundred eighty million dollars, Mr. Lasker said, instead of \$99,518,572.11 as previously shown by the board's books. A commercial concern operating on a similar basis would have been in the hands of a receiver some time ago, the chairman asserted, stating also that he knew this state of affairs was not the fault of Admiral Benson, former chairman of the board nor of controller Tweeddale.

He said that it was due to the system started during the war and continued until recently. The money which is unaccounted for was said by the chairman to have been disbursed by operators of government owned boats for which a full accounting has not been made. The chairman asserted that three thousand voyagers made only three thousand had been accounted for and that two hundred auditors were now working on the books of these operators to find out what happened.

A balance sheet of the shipping board's books classified receipts from operation of ships, three hundred million dollars; from appropriation, one hundred million, from advance on hand, July 1, 1920, eighty million, from sale of assets two hundred million dollars, a total of six hundred eighty million dollars.

Expenses were: general operation four hundred nine million dollars; new ships one hundred sixty million dollars; dry docks, etc., thirty million dollars; supplies eighteen million dollars; advances to foreign officers fifteen million dollars, and miscellaneous expenses seventy two million dollars, a total of six hundred eighty million dollars. From this balance sheet, Mr. Lasker said that the board spent above earnings one hundred million dollars in direct appropriations, eighty million dollars from a balance of a previous year and two hundred million from assets sales, or three hundred eighty million dollars of deficit.

Want Congress to Ratify
Secretary Mellon, appearing before the senate finance committee to urge enactment of the administration bill to confer broad powers in debt refunding, was told by Senator Curtis of Kansas, a member of the committee and Republican senate whip, that Republican and Democratic senators alike had stated that they would not vote for a refunding bill which did not require the settlements to be reported to congress for ratification. Mr. Mellon said "it would be illogical" to amend the bill so as to limit the treasury's authority.

Senator Borah, Republican, Idaho, on the senate floor criticized the treasury's payment last week to Great Britain of \$32,688,000 on a shipping claim, while that nation owed the United States several billions. Senator Borah said he could "observe eagerness" by Great Britain to press collection of debts from the United States and said the situation was "a remarkable exhibition" by Great Britain.

President Wilson at the outset of the portion of his letter relating to the allied debts declared it was "desirable that our position be clearly understood in order to avoid any further delay in a constructive settlement of reparations which may arise from the hope that the debt of this government can form a part of such settlement."

He then proceeded to explain the legal situation and made the statements as to the attitude of congress and of the American public previously noted.

If a recent sale of West State street property at better than \$100 a front foot is taken as an index, Jacksonville property is worth more than used to be the case. However, it is probably not fair to take the price paid by the Standard Oil Co. for a location particularly desired as an index of general real estate values.

The county board in centralizing the medical and surgical work done for indigent persons is seeking to cut down the costs to the county. The plan to be followed is reasonable and business-like and moreover will not mean that the worthy poor of the county are to have any less in care than the county has provided them in the past.

Police authorities in Chicago charge that owners themselves are responsible for the disappearance of a large percent of the reported as stolen. The practice has grown, it is said, wherein owners insure cars then dump them in a river or lake at some obscure point for the purpose of collecting the insurance. All of which furnishes further proof that there are many kinds of crookedness in the world.

There is sound reasoning in the wish of the National Association of Railway and Utility Commissioners that there should be more uniformity in the rates and regulations of the interstate commerce commission and the commerce commissions in the several states. It is true that the states have certain rights for controlling matters within their own borders but certainly there are inequalities in having railroads meet different regulating conditions in one state than in another.

The states have surely existed long enough to warrant a definite understanding as to the rights of federal and state governments. At least two organizations will make an effort to have Jacksonville well represented at the Tri-County picnic to be held at Waverly, July 28. This will be an excellent opportunity for the citizens of Jacksonville to show that they are really interested in the people in the southeastern part of the county.

phone company is asking for substantial increases in rates. These increases may be justified by operating costs and other conditions. However, it is the duty of the company to prove these matters to the satisfaction of the state commerce commission. It is therefore a very proper thing for the city officials and representatives of citizens to take exception to proposed increases until the evidence is submitted to show that the higher rates proposed are justified by the facts. The company is entitled to a fair return on the money it has invested and for the usual hazards of business.

"THE POLITICS OF GOD"
The wisdom of Abraham Lincoln has endured, as most real wisdom does. Every little while some saying of the martyr president comes to light with special forcefulness. "Don't be too sure about the politics of God," Lincoln once said when he heard a man arguing with excessiveness about the righteousness of the party with which he happened to be affiliated.

This saying was recently brought to mind by some of the criticisms heaped upon members of the last general assembly because they did not happen to support certain measures in which their critics were interested. These critics have credited none of those who failed to vote in the desired way as conscientious. They credit them all with yielding to improper influences or as actuated by stubbornness and perversity.

It is this kind of criticism that accomplishes nothing worth while. "Don't be too sure about the politics of God"—the rule applies in many ways. The man who doesn't agree with you may be right. At any rate he may be just as honest and sincere as you are yourself. To impugn nothing but evil motives to other men is a pretty good sign of narrowness on your own part.

SHANKEN'S

MESSAGE FROM THE OLD PEOPLE'S HOME

(By MRS. HOFFMAN)
I have always been called slow. But I am beginning to wake up. I will tell you why, it is because we have been having the corner brightened where we live. The first thing that began to bring the light, was the work that has been done to our home, the beautiful grey paint, the lovely hall runners, and new electric lights, when lighted make a very pretty effect on the runners and walls. The next large spark, was a visit from Miss Mary Deweese's class, that entertained us with music, reading and closed with a fine treat of cream and cake, you see they fed both mind and body. This took place May 17th. On June 13th there came Miss Thompson, with her class of cheerful women, although the walls were freshly painted it mattered not the corner grew brighter, and a very pleasant evening was spent by all. The entertainment was of the nature of the first one. Then on June 30th, came Mr. French, the minister of Virginia, accompanied by his wife, and her Junior class and others, making 54 in all. The children rendered a very interesting program. While we listened our minds went back to the long ago, when we were children, and brought back happy thoughts. This made a large spark in the corner. Don't you forget, if we are old our minds are young. We, just like other folks, had our flag waving, and dining room decorated with sheets of small flags and other emblems. Before eating, we stood around tables and raised our voices in singing the red, white and blue. After dinner we all retired to the parlor, there we read stories appropriate for the day, and sang our national songs, after which each one related a little experience which had happened to them in their former days, then we closed by singing, God Be With You Till We Meet Again, for we felt that some of us would be called to The Beyond before the next Fourth.

Last of all but not the least, on the 10th Mr. Fuller, minister of Woodson, his wife, and thirty men, women and children came and held a good meeting, his text being "Let not your hearts be troubled." His discourse was short, but to the point. They too, gave us a fine treat of delicious cake and cream. Our corner is getting brighter all the time.

Will others of you dear ones follow the example of these? Come with Sunshine, to cheer the lonely hearts of the shut-ins. Come, and we will welcome you, always ready to entertain, and be entertained. Come and God will add stars to your Crown.

Literberry, July 19.—Bart Young of Colorado Springs, Colo., started out from home a few days ago for a trip to Michigan and other states and came thru Literberry to visit relatives and friends. Mrs. Nettie Scribner is making a visit with her children, Mr. and Mrs. Sam Lindsay of east of Literberry and helping take care of her new little granddaughter, who came on Sunday to make her home with Mr. and Mrs. Lindsay. Theodore Daniels of Wichita, Kans., is in Literberry visiting John and Warren Daniels and will visit a few days in Joy Prairie with Mr. and Mrs. Austin Patterson. Mr. and Mrs. Jesse Litter of Lily Cottage, entertained their children on Sunday at a swell dinner. Mr. and Mrs. Baldwin and children of Jacksonville came out to Maple Mound Sunday morning and were entertained right well at a fish and chicken dinner by Mr. and Mrs. W. W. Young. John Hunter and family and Charles Samples and wife also visited the Youngs Sunday night. There were many autos driving in Literberry on Sunday. Some of the occupants were visiting friends and some driving for pleasure; some of them were strangers and we noticed several very nice looking cars.

OBITUARY
Mrs. Leah Meacham, widow of the late J. H. Meacham, eldest daughter of William D. and Jane Jarrett, was born the 18th of August, 1842, and went home to meet her blessed Savior and her loved ones some before July 18, fifteen minutes past twelve a. m., at the home of her daughter, Mrs. G. W. Weber of this city.

January 4, 1861, she was united in marriage to J. H. Meacham at the home of her parents south of New Berlin. To this union nine children were born, three of whom preceded her in death while in infancy. Those surviving are J. W. and J. T. Meacham of Brighton, Illinois; Mrs. A. E. Belt, Mrs. O. P. Peel, Mrs. L. O. Troxell of Springfield and Mrs. G. W. Weber of this city; also four brothers, Irvin of Stella, Nebraska; George R. of Modesto, Illinois; John H. and W. W. Jarrett of New Berlin, Illinois; two sisters, Mrs. Nancy Huggins of Loomis, Illinois and Mrs. Harriett Hill of New Berlin, Illinois; nine grandchildren and four great-grandchildren; also a host of friends and relatives.

She was converted early in her married life but never united with any church until in the fall of 1890, when Rev. G. H. Cruzan, pastor of the Mount Auburn circuit of the M. E. church organized the Union Chapel M. E. class of Christian county, this state. She and her two eldest daughters were charter members of this class. She was an earnest, active, devoted, self-sacrificing Christian, walking with Jesus day by day, ever pointing her loved ones to the Lamb of God, who alone taketh away the sins of the world. Sister Meacham was strong in faith, zealous in good works and faithful in service even to the last. She was ever desirous of lending a helping hand, so much so that she would often inquire of her daughter if she could not help. Her was a life of loving service, devoted to her family, to those about her and to her God.

Long years ago she accepted the text for her funeral sermon, 1 Timothy 5: 7, 8.

Mother, we shall miss you. But we pledge to meet you On the other shore With our loved ones gone before. Funeral services for Mrs. J. H. Meacham were held Sunday afternoon at four o'clock at the residence of her daughter, Mrs. G. W. Weber, 1240 South Main street, with Rev. D. V. Gowdy in charge. The flowers were cared for by Miss Lou Peel, Miss Gretchen Belt and Mrs. Ruth Weber. Her deceased, husband was in Hodgson cemetery, five miles south of New Berlin. The pallbearers were Harry Jarrett, Cecil Belt, Earl Hudson, Arthur Peel, Harlan Meacham and Avery Ott.

SAYS FIGHT IS ON AGAINST FARM BUREAUS
Fund Raised to Oppose Co-operative Grain Market Plan, So Says Agricultural Association.

Chicago, July 18.—County farm bureaus of Illinois have been warned by the Illinois Agricultural Association that a "gigantic propaganda attack," said to be backed by a minimum of a quarter of a million dollars, "is about to be launched at county farm bureaus of Illinois and farmers' co-operative grain marketing movements by organized grain interests of the country."

In support of its contention the state agricultural association quotes to farm advisers the following announcement, purported by it to have been part of a letter sent out by the Illinois Grain Dealers' Association at Champaign, to elevators in the state: "A quarter of a million dollars is the minimum that is to be used to actively combat the activities of the U. S. Grain Growers, Inc., and county farm bureau advisers." The same letter, according to the Agricultural Association, urges every member of the Grain Dealers' Organization "to make a list of all farmers in his station" and is quoted as continuing: "This list can be made up from your list of customers or your local telephone directory. It is proposed to send this list to the publicity agent of the Chicago Board of Trade, in order that every farmer may receive some very important literature."

ENTRANCE TO MAUVAISTERRE PARK

The question of an entrance to Mauvaisterre park has been before people almost ever since the new dam was constructed or even contemplated and many plans have been broached. The drive for a good bridge at the filtering works, or near them, is now in progress and is a worthy enterprise. Another plan, as met with considerable favor in the eyes of many and that is to secure from the Oaklawn Tuberculosis sanatorium a right of way for an entrance on the west side of the grounds of that institution. On first thought that would be very desirable and almost ideal but there are matters connected with it that demand attention.

In the first place the idea is to have the road between the two rows of trees and it does look like a fine thing at first but there are difficulties in the way. Between the rows of trees is an important ditch which carries off the water from the west side of the sanatorium grounds. If that were filled, as it would have to be filled, then another ditch would be an obstacle as it could not be very near the trees on account of the roots. It has been suggested that a large tile placed between the trees would carry off the water but that would not be practicable for in a heavy downpour it would be clogged and the land inundated.

Then too, there would be considerable expense attending the work of construction of the road, even if the privilege or right of way were granted and the park board, which would have it to do, is well loaded already with expense. It has been suggested that east of the sanatorium grounds is a public road leading westward and it would be practicable to get a right of way across the south part of the grounds for a road leading to Mauvaisterre park. Some expense there would be necessary in the way of a culvert and some grading. This roadway would enter Mauvaisterre park about at the place at which the Fourth of July exercises were held. Then too, the question arises regarding the roadway; how would it lead out of Mauvaisterre park? To do so at all satisfactorily it would have to be continued on southward to the Vandavia road which would require a bridge across the south part of the new lake and a lot of draining and grading whose cost would be prohibitory.

The park board is always anxious to give the people but it is the custodian of their money and it must be used as wisely as possible.

CLEVER FORGER AT WORK HERE SATURDAY
Issued Checks for a Total of Several Hundred Dollars Signed With the Name of Henry Jobst Peoria.

Seven merchants of the city, and perhaps more, were victims of a clever forger Saturday evening. Those known to have cashed checks are: W. L. Alexander Mercantile Company, Tom Duffner, Breddon & Dorand, James McGinnis, T. M. Tomlinson, Leo Doolin and Schumm & Loneragan. It is probable that other victims will be found within the next few days as not all merchants make deposits on Monday and it may be that some made them too late to reach the clearing house Monday morning.

The forger, according to several of his victims, was a well dressed man about 25 years of age and one whom they said could easily have gotten a check cashed in almost any business house. In each instance the checks given were for \$24 and the name of Henry Jobst of Peoria was signed to them. This forger, evidently one of experience, did not do things by halves. He had checks with the firm name printed on and the signature at the bottom was signed as secretary-treasurer of the company. The checks were all made out on a typewriter and were up to date in every particular. The cleverness of the forger, who probably is some Peoria crook may be seen in the fact that he signed the name of Jobst to the checks. It will be remembered that some time ago a story was published and also sent out over The Associated Press wire of the letting of a contract to Jobst & Son of Peoria to build a large addition to Our Savior's hospital. It is probable that the crook took advantage of that incident. Also it lulled the suspicions of the merchants who also read the story and knew that the work of excavating for the building is in progress. The matter has been reported to the police but as yet no clue has been obtained as the forger evidently got out of town early Sunday and has placed considerable distance between himself and Jacksonville. It might be, however, that he returned to Peoria and is enjoying his ill gotten gains without fear of detection.

Men without Coats
—Never in the history of Jacksonville has the abandonment of coats by the men been so universal—On the streets, about their daily work, and at the theatres, lodges, etc.
—This is as it should be, in warm weather—it's comfort.
—But, when men doff the coat it means the shirt, the tie and the collar, must be a bit finer—a little more dressy. And to appear so dressed costs no more.
—We are showing a beautiful line of articles of this kind for summer wear, including Palm Beach, Mohair and Tropical Worsted Suitings, and athletic underwear, all at very low prices.

In Buying a Palm Beach Suit
A Few Dollars Invested In Good Make An Added Economy
—Some Palm Beach Suits cost more than others. And that is perfectly natural and logical. The difference is due to the tailoring.
—And the tailor who shows you these better grades and gives you correct tailoring is striving to give you the best that can be had in Palm Beach—the best material, the best handwork in fashioning your suit, and the best in needlecraft and in smart designing.
—The genuine Palm Beach, when fashioned into a suit by a skillful tailor, is a thing of beauty—because it looks well; because it will wear the necessarily frequent launderings and keep its first appearance; because it is low in price; and more than all, it keeps you feeling comfortable, and is fit to wear in any society.
—We offer you the genuine Palm Beach, the high grade tailoring and the low prices.
—Come in and be measured this week; there's a long hot summer ahead of you with but few breaks; be comfortable.

National Trade Associations Deny Connection With Grain Dealers' Association Meeting.

CHICAGO, July 19.—Letters have been received by Howard Leonard, president of the Illinois Agricultural association, from seven national trade associations denying any official connection with the meeting in which the Grain Dealers' National association is said to have announced its raising of a \$250,000 war chest to "direct propaganda against farmers' co-operative grain marketing organizations."

All of these seven associations, Mr. Leonard says, were announced in press reports from the Grain Dealers' convention at Cincinnati on June 28, as having taken part in the meeting.

The associations are: The U. S. Chamber of Commerce, the American Wholesale Lumber association, the National Wholesale Grocers' association, the American Seed Trade association, the American Feed Manufacturers' association, the National Implement and Vehicle association, the American Wholesale Coal association.

"Several of the secretaries of these organizations wrote that they had not even heard of the grain dealers' convention to raise a propaganda fund against farmer competition until it was brought to their attention in press reports naming their associations as having taken part in the meetings," said Mr. Leonard.

"All seven which I have heard from in reply to letters I wrote have positively denied any official connection with the meeting at which the propaganda fund was raised."

"The chairman of the committee to direct the propaganda work against farmer competition is R. I. Mansfield, of the Chicago Board of Trade. The four other members of the committee are also members of organized grain exchanges."

FAMILY DINNER AT HOME NEAR ARCADIA

Mr. and Mrs. J. T. Winner entertained about thirty-six of their relatives and friends at dinner Sunday at their home in Arcadia. The dinner was a most excellent one and was greatly enjoyed by all present. Later several hours were spent in a pleasant social way.

The company included Mr. and Mrs. Reuben Young, Mrs. W. E. Morrow and family, Mrs. Harry Koontz and son, Robert, all of Alexander; Mr. and Mrs. Newton Winner and family; Fred Winner and Miss Amy Winner of Yatesville; Mr. and Mrs. Fred Robertson and family of Virginia; Mr. and Mrs. Harold Winner and son William of Jacksonville; Messrs. John Franklin, George Jones and Lloyd Latham of near Arcadia; Misses Louise and Edna Winner of Trivola; Mr. and Mrs. J. T. Winner and family.

ILLINOIS COLLEGE STUDENT MARRIES

Monarch Davis of Springfield and Mrs. Nellie Pettit of Ashland were secretly married at Taylorville, July 2, and are now living at Springfield. Both were well known in Jacksonville.

Mr. Davis has been a student at Illinois College during the last two years. He was a member of Sigma Pi society, and was active in various forms of athletics. He served overseas during the war.

Mrs. Davis was employed at the Pacific cafe last year.

HAVE ACCEPTED THE CHALLENGE

Macoupin county farmers have accepted the challenge which the Sangamon county Farm Bureau committee recently issued to those of Morgan and Macoupin counties for a horse show to be held at the Tri-County Farm Bureau picnic to be held at Waverly. C. C. Coats and Charles Vandaveer will furnish the horses for Macoupin county. Morgan county farmers have not taken any action upon the challenge.

Mrs. Shirley Strawn Frye, daughter of Mr. and Mrs. James G. Strawn of South East street, was taken to Passavant hospital at 1:50 o'clock this (Tuesday) morning, where she submitted to an operation for acute appendicitis.

Mrs. C. W. Temple and little son Jimmie of 1447 West State street left Sunday morning for a trip of several weeks in the north. They will visit friends in Chicago and South Haven.

Franklin C. Funk and J. F. Carlson of Winchester made a business trip to Jacksonville Monday night.

GOMPERS CONFERS WITH PRESIDENT ABOUT COOLIES

Labor Leader Says Condition of Labor in Hawaii Suppressed

WASHINGTON, July 18.—President Gompers of the American Federation of Labor visited the White House today and protested to President Harding against a resolution pending in congress which would give the president authority to admit Chinese labor into Hawaii.

Mr. Gompers said the measure would admit fifty thousand coolies into the islands.

"The charge that only Chinese can be used in Hawaii and that white labor cannot be obtained," Mr. Gompers said after leaving the White House, "and the charge that the sugar industry there will not support decent wages was untrue and those most active in trying to secure the passage of the bill know they are untrue."

Suppress Labor Conditions.

Mr. Gompers declared that reports on labor conditions in Hawaii made by the government officials had been suppressed by men high in "our government."

"In parliamentary procedure in reference to the joint resolution can hardly inspire one with sympathy for the measure," Mr. Gompers said, "but rather with a feeling that some unusual methods are being employed to force it thru."

END VISIT IN CITY

Mr. and Mrs. Charles R. Painter and children of Chicago and Mr. and Mrs. Mose E. Perry and son of Rockford have returned to their homes after a two weeks' visit in the city with relatives and friends. Miss Bessie Goveia accompanied Mr. and Mrs. Perry to their home on a week's vacation.

WILL VISIT IN EAST

Mrs. Margaret Sweeney left yesterday for an extended visit with her niece, Mrs. Joseph P. Craugh at Penn Yan, N. Y. Mrs. Sweeney will also visit in Salamanca, N. Y., and Cleveland, Ohio, with her mother's people.

MR. MILLER IMPROVING

William Miller, son of Mr. and Mrs. J. Marshall Miller, who was operated on recently at Passavant hospital, is improving in a satisfactory way. Mr. Miller had several attacks of appendicitis before the operation was determined upon. The conditions found indicated the wisdom of the operation.

A FINE BLUE PRINT

A fine blue print, showing the proposed hard road extension eastward is now on exhibition in the window of Tomlinson's clothing store. It is a regular engineer's drawing and gives an excellent idea of the proposed improvement.

BACK BAD TODAY?

Backache is usually kidney-ache and makes you dull, nervous and tired. Use Doan's Kidney Pills for weak kidneys—the remedy recommended by your friends and neighbors. Ask your neighbor, M. J. Carlton, 325 E. North St., Jacksonville, says: "I had a dull, aching through my back and many times I couldn't get up from a chair. When I would bend over I would have such a sharp catch in the small of my back it would almost double me up. I have often had to have a pillow braced against my back and sat up that way in bed because I couldn't stand the pain through my back lying down. My kidneys acted irregularly and the secretions were highly colored and contained sediment. I read of how good Doan's Kidney Pills were and began using them. I only used one box before I felt fine and my cure has been lasting. I surely am glad to recommend Doan's for what they did for me."

COUNCIL TO ATTEND PHONE RATE HEARING

Will Oppose Increases Without
Necessity Is Proven—Another
Water Main Petition—General
Complaints Heard at Monday
Night Session.

It was citizens' night at the city council session Monday. That means that more than the usual number of visitors was present to talk about public affairs in which they were interested. Some of the visitors were there to urge the laying of water mains, others were interested in street oiling, still others had other subjects to present.

When the roll was called by City Clerk Scott it developed that the mayor and all aldermen were present with the exception of Alderman Williamson. The question of the purchase of 12 acres of land by the city from John Mittendorf was referred to the water committee. This land is south of the C. B. & Q. near the eastern terminus of Mauvisterre lake and is somewhat damaged from overflow.

The Telephone Hearing
One of the most important matters considered was the no-

tice from the Illinois Commerce commission as to the rates that the Illinois Telephone Co. Jacksonville is to put into effect in Jacksonville. It was the opinion of the aldermen that the rates asked are higher than should be granted. Accordingly a committee was appointed, including Mayor Crabtree, Aldermen Cain, Chapin and Ehrie, to appear before the commission at the hearing July 21. The council also went on record asking that the chamber of commerce appoint a committee of three to cooperate with the council at the hearing.

Mayor Crabtree announced the appointment of Walter Bellatti as city attorney and the appointment was confirmed by unanimous vote.

Among citizens present to talk about the need of oil on South Mauvisterre street were Owen Magill, P. C. Benson and John Carl. The mayor said that the work had not been completed because Mr. Cocking had found it necessary to take his oiling apparatus away from the city, but promised to return this week.

On motion of Alderman Loneragan the clerk was instructed to notify heads of departments to make no purchases which had not been approved by a majority of the members of the committee under which the department was operated. A communication was read from local union No. 116 of plumbers, signed by P. Sheenan, corresponding secretary, asking that Mr. Brown and Mr. Harvey be removed from the examining board and Mr. Cannon and Mr. McNamara appointed in their stead.

Report on Street Work
A report was read from Perry White, street commissioner, showing that resurfacing of the tarvia pavement on North Church and South Main street had cost a total of \$978.87. The surface includes 25,034 yards and the cost is therefore about 4c per yard.

A petition was read from property owners on South Mauvisterre asking for the construction of a water main. There was resulting discussion and it was explained by city officials that the city now has no funds available for such work and that probably the only way for securing of water mains will be for the property owners to bear the expense under the public improvement act. It was mentioned that a citizens' committee is now working on the subject and may later have some suggestion.

The petition referred to was signed by John Kearns, Owen Magill, W. N. Hargrove, F. C. Benson, Maurice Peckham, Harry Wells, G. A. Johnson, L. A. Dewitt, S. F. Butt, W. F. Todd, Thomas Hale, Lena and Sophia Degen, John Carl, Joseph Peckham, H. Kelly, L. A. Barnhart, R. Wiswell, Mrs. George Wright, Mrs. Mary Howell.

Complaints Heard
George W. Adams entered a complaint because there is no culvert across a ditch at an alley near his residence. This matter was referred to Commissioner White.

D. N. James appeared to ask the council for authority to install gasoline tank in the alley adjoining his West State street building.

Mr. James explained about the project as did E. T. Hudson, who is in his employ. It developed that the council is without authority to grant permission for such construction work.

A number of automobile concerns have installed tanks in streets or alleys without asking authority.

Alderman Flynn told of various complaints of poor service by the street car line on North Main street and said that there were instances wherein transfers had not been properly honored. Frank P. Nunes made complaint along this line and maintained that persons had been given transfers by one conductor and subsequently the conductor on the North Main street cars refused to honor them. He said there was no error in the time but that the transfers were used at the first opportunity.

Proposed Phone Rates
The schedule of proposed telephone rates increases shows the following:

Individual—Present business rate \$2.00, proposed rate \$4.00.
Individual—Present residence rate \$1.50, proposed rate \$3.00.
Two-party line—Present residence rate \$1.50, proposed rate \$2.50.
Four-party line—Present residence rate \$1.50, proposed rate \$2.00.
Rural—Present business rate, \$1.50; proposed rate \$2.25.
Rural—Present residence rate, \$1.50, proposed rate \$2.00.
Extension—Present business rate \$1.00, proposed rate \$1.25.
Extension—Present residence rate 75c, proposed rate 75c.
Intercommunicating system—Present business rate \$2.00; proposed rate \$1.25.

The schedules filed by the Illinois Co. show the following losses: 1917, \$2,100; 1918, \$1,551; 1919, \$902; 1920, \$15,368.

WHITE HALL NEWS NOTES OF INTEREST

Death of Mrs. Martha Turner of Scottville is Matter of Regret to Local People—Rev. J. O. Kirkpatrick Returns From Kansas—Other Items.

White Hall, July 18.—The sudden death of Mrs. Martha Turner at Scottville Thursday is a matter of local concern, as the aged lady spent the winter months at White Hall with her daughter, Mrs. Frank Vandaveer, and at Fayette with Mrs. Cora Hettick, another daughter. She was at home in Scottville for the summer, and it was there that she was found dead in bed at 5 p. m. Thursday, death being due to heart failure. For several years she was a sufferer with neuralgia of the face. She was the widow of the late T. L. Turner. Her age was about 78 years, and she was born and spent her entire life in the Scottville vicinity. She was a member of the Mt. Zion Baptist church, west of Scottville, where funeral services will be held, the arrangements pending the arrival of a son, Ed Turner, from Pattonsburg, Mo.

Mrs. G. C. Tunison attended the funeral of Mrs. John Dams, her cousin, of Chesterfield today. Rev. J. O. Kirkpatrick has returned for a vacation spent with old home folks in Kansas, and will fill the Methodist pulpit next Sunday. Mrs. Kirkpatrick spent the time at Ashland.

Charles R. Clouder returned to Beaumont, Texas, this week, after spending a few days with his parents, Mr. and Mrs. G. W. Clouder, and visiting the furniture markets of Chicago and Grand Rapids for his firm. While at home he inquired into the status of the soldiers' memorial building, to which he has set aside a certain fund as his part of the donation from former White Hall boys.

The Greek gang of track laborers moved to Wrights this week for a job of a few days, and will then move to Brighton. They are getting this division of the Burlington in splendid physical condition.

Trainmaster D. J. Deasy was down from Roodhouse Thursday on one of his frequent visits to look after the general wants of shippers.

The classes of the First Baptist Sunday school taught by Mrs. Laura Pritchett and Mrs. O. A. Carman are holding a picnic on the chautauque grounds this afternoon. Next Thursday evening the station and interlocking employees of the railroads will hold a picnic there that is being arranged by the wives.

Mrs. Benj. P. Johnson and two children, of Springfield, are guests at the Fair home.

Mrs. Chas. Keeling and two sons will leave Sunday for Louisville, Ky., after a visit with her sister, Mrs. Frank Meyers.

Funerals
Campbell

Funeral services were conducted Sunday afternoon at 2:30 in memory of little Bernita Grace Campbell. The services were held at the residence of the little girl's parents, Mr. and Mrs. Joe Campbell, 979 South Clay avenue; Rev. Symons of the Concord M. E. church officiated and interment was made in the Concord cemetery. Music was furnished by Miss Edna Wilson, Mrs. Casper Blumling and Mrs. Harlan Williamson. The many lovely flowers were in charge of Mrs. Bennett and Miss Rosa Helzer. The bearers were Misses Lucille and Margaret Bennett, Jeanette Belzer and Letha Ferriera.

Mrs. Harriet Sullivan of Tacoma, Washington, who has been visiting relatives here, has gone to Franklin, where she is the guest of Mr. and Mrs. Warren Luttrell.

CHAPIN

Mrs. F. P. McKinney left Saturday for Carrollton, called there by the illness of her brother-in-law.

Mrs. Edith Calloway Hester and little daughter, Ena Nelly, who have been in South Dakota the past eight years, arrived here Saturday morning for a visit with her parents, Mr. and Mrs. L. H. Calloway.

Mr. and Mrs. Louis Nienhueser were in Arenzville Sunday, the guests of Henry Aufdenkamp.

Mrs. Ada Funk spent the week end in Jacksonville, the guest of Mr. and Mrs. Lloyd Ross.

Walter R. Fox, who has resided in New York for a number of years, arrived here Saturday for a short visit with his father, George R. Fox.

Shorter freight haul to two-thirds of the United States.

A Word to Merchants—

Cheaper Freight Rates Reduce Selling Prices

Every penny saved on the cost of goods helps you to make the competitive low price your customers are seeking nowadays. You can buy goods as low or lower in St. Louis than in any other market. Your saving in freight over other markets is an important item in figuring profits and meeting competition. Look at the map. St. Louis ships to two-thirds of the United States with shorter freight haul than any other big market.

Time is money when you go to buy goods and pay hotel bills. Railroad fare now is a larger item of expense than ever. St. Louis is your nearest big market. Your saving starts when you buy your railroad ticket to go to market, because the mileage to St. Louis is less than to any other complete market.

A package car system built up at the suggestion of the St. Louis Chamber of Commerce gives St. Louis a decided advantage over other markets in making prompt deliveries to you. More than 1,200 package cars leave St. Louis every night by through freight, by which mixed shipments reach you on almost the same basis as express. This service places the goods on your counter as a salable asset. Turnover is a vital factor in figuring profits and offering fair-priced commodities to your customers.

NEWS OF THE SPORT WORLD

INDEES DEFEAT SPRINGFIELD TEAM

Win Game from Merchants by
Score of 9 to 3—Game Was
Loosely Played by Visitors.

It was not much trouble for the Indies to win from the Springfield Merchants at South Side Park Sunday afternoon, although the visitors touched Padgett for ten hits against nine by the locals from the offerings of Chestnut and Lowrey.

Padgett was unsteady and was in a bad hole several times but pitched himself out. At other times good bits of fielding saved him. Christopher stopped a run at the plate in the first inning by an excellent peg of Kasa's single.

Clark gave Padgett excellent support back of the top while Rubie made a brilliant one handed stop of Miller's homener in the fifth and got his man at first.

How the Reds Were Made
Springfield scored first in her half of the second one walks to

H. Goldsmith and Stiris and Sargent's single.
The Indies tied in their half when Clark reached second on J. Goldsmith's wild heave or his roller, third on Christopher's sacrifice and scored on Burkery's fly to Kasa.

After two were down in the third Denney was hit by a pitched ball and a hole opened. This was followed by Wheeler's couple, and singles by Rubie and Clark netting three runs.

Four runs came in the fourth. Burkery singled and stole second. DeFrates was safe on Miller's error, Burkery taking third. He scored when J. Goldsmith heaved Hubbs' grounder past first. DeFrates taking third and Hubbs second. Padgett singled and DeFrates scored, but tribals was caught at the plate on Kasa's throw. Denney singled and Padgett scored. Denney stole second and went to third on a fielder's choice and scored on J. Goldsmith's wild throw.

One run in the fifth was the result of Christopher's single and steal and two errors.

Springfield made one run in the seventh on doubles by J.

Goldsmith and Stiris and Sargent's single.
Chestnut's home run accounted for the last tally in the ninth.

REDS WIN BOTH
GAMES OF DOUBLE BILL.
Philadelphia, July 17.—Cincinnati took both ends of a double header from Philadelphia today by the same score, 9 to 3. Peter Donohue, a recruit from Christian Brothers College, Texas, relieved Marquand in the first inning and held the home team to four scattered hits for the remaining eight and two-thirds innings. Eller was the winning pitcher in the second game though he was taken out of the box in the seventh inning when the Phillies staged a brief rally. Peters, the recruit catcher, who won the second game on Saturday with a home run, had another credit drive today in the second game.

WHITE SOX WIN DOUBLE HEADER

Winning Run Forced in by Pass
in First Game—Sox Rally in
Ninth in Second and Bat Out
Victory.

CHICAGO, July 18.—Chicago took both games of a double header from Boston today winning the first game 5 to 4 in ten innings and the second 4 to 3. Pitcher Jones walked McClelland forcing in the winning tally in the first game. Hodge pitched in green form in the second game, which was delayed half an hour on account of rain. A ninth inning rally by the White Sox gave them the victory.

ABUSE OF GOOD ROADS
Sometimes one is tempted to say that the better a thing is the more some people abuse it. The era of hard roads is dawning and with it comes the speeder in addition to many careless drivers. Some persons from this place riding north of Springfield recently saw four wrecks within a few miles on the hard road northward from the state capital. Of course the cause for the trouble wasn't known to the passers-by but it looked as if reckless speeding had resulted in collisions.

Franklin Child Died Monday Evening

Little Son of Dr. and Mrs. M. D. Henderson Passed Away After Brief Illness—Funeral Wednesday Afternoon.

Franklin, July 19.—The death of Elebert Henderson, youngest son of Dr. and Mrs. M. D. Henderson, came at 8:10 o'clock Monday evening at the family home in Franklin. The child was stricken Saturday morning with a disease which is more or less epidemic among children. His condition from the first was very serious, altho he remained in a conscious condition almost to the end.

Surviving are the parents, one sister, Ruth Henderson and two half-brothers, Lester and John Henderson.

The deceased, who was three years old on June 15, was an unusually lovable child and his death casts a deep shadow over the entire community.

Funeral services will be held at 3 o'clock Wednesday afternoon, the place to be announced later.

Daily Market Report

BIG RECEIPTS HAD BEARISH EFFECT

CHICAGO, July 18.—Big receipts and prospects of cooler weather had a decided bearish effect today on the wheat market. Prices closed heavy, 3 to 4 cents net lower with September \$1.27 @ \$1.27 1/2 and December \$1.31 @ \$1.31 1/2. Corn lost 1 1/2 to 2 1/2 @ \$2.00 and oats 1 1/2 to 1 1/2 @ \$1.10. In provision market, demand for 2 1/2 to 10c advance.

With today's arrivals in Chicago estimated at 1,250 cars, and with the movement heavy also to St. Louis and Kansas City, wheat prices tended downward almost constantly throughout the day. Forecasts of cooler temperatures together with rain reports gave further impetus to the selling and so likewise did a liberal increase of the visible supply total. Besides advice were at hand that all the black rust infection was general in Manitoba the crop there was ten days early, and could be harvested in time to prevent serious loss. Considerable notice was taken too of assertions that the yield in Oklahoma would be 12-15 bushels to 18,000,000 bushels more than the latest federal estimate. On the other hand it was intimated that a good export business had been done on German account. No definite figures, tho, were given.

Rains in Iowa, Nebraska and Kansas put the corn market on the downgrade. Bullish crop reports carried oats up to the highest point yet for the December delivery but then a decline ensued owing to weakness of other grain.

Profit-taking sales depressed the provision market after a bulge due to higher quotations on hogs.

STOCK EXCHANGE

HAS DULL DAY

NEW YORK, July 18.—Business on the stock market today totaled scarcely 355,000 shares. Irregular price movements revealed weakness in certain specialties and comparative steadiness in seasonal issues. News over the week and offered little incentive to the long account. Foreign exchanges were more unsettled. Demand for sterling registered a new low quotation for the year at 359 1/2; French, Italian, Swiss, Dutch and German rates fell 4 to 10 points, with losses of 17 to 50 points in remittances to Denmark, Norway and Sweden.

Last week's loss of cash reserves by clearing house banks failed to disturb local money rates. On the exchange all call loans were made at six per cent and the little money available was offered at the same figure. Some outside loans were made at 5 1/2 per cent, both on call and time. Total sales (par value) \$7,400,000.

Sunday School Class Has Party

The girls of the Sunshine Class of the State Street Presbyterian church had a delightful party yesterday afternoon at the home of Mrs. E. G. Pocock on West College avenue. The girls spent a happy afternoon playing games and later lovely refreshments were served. Miss Cunningham is the teacher of this fine class of girls.

Entertain For Miss Thomas

A delightful little supper party was given last evening by Miss Clara Russell and Miss Isabel Ames in honor of Miss Anita Thomas of Frankfort, Kentucky, who is a guest at the home of Mr. and Mrs. Thomas Worthington on Grove street. The affair was given at the home of Miss Russell on Mound avenue and a limited number of friends were guests. A 5:30 supper was served.

Neighborhood Picnic

Yesterday morning a picnic party arrived in the city and took the street cars for Nichols park, where they enjoyed a day very pleasantly with all sorts of pastimes. They were Mrs. Sarah Hiser, Mrs. J. Elder of Chapin, Mrs. Earl Williams and children of Bluffs, Mrs. Roy Hiser and children from Kewanee, Mrs. Robert Clark and children of Chapin, Mrs. Ernest Reams of Chapin, Mrs. D. L. Voorhees and son, near Jacksonville.

Opportunity Class Has Picnic Supper

The members of the Opportunity Class of Grace M. E. church held their regular meeting last evening at the church, in the form of a picnic supper served in the church. A fine supper was served at six thirty o'clock and afterwards the regular business meeting and informal program was given. Mrs. W. B. Rogers, president of the class, had charge of last evening's meeting. Miss Orva Lee has been teaching this class during the illness of Mrs. R. A. Gates.

Mrs. Middendorf Gives Dinner Party

A dinner was given at the home of Mrs. Elizabeth Middendorf near Bluffs, Sunday. Those present were: Mr. and Mrs. George Middendorf, Mr. and Mrs. Henry Middendorf and family, Mr. and Mrs. Louis Middendorf and family, Mr. and Mrs. Henry Engelbrecht all of Bluffs, Mr. and Mrs. John Middendorf and family and Mr. and Mrs. Philip Schulz Sr., of Jacksonville, and Mrs. No. dolf, daughter Carrie and nephew Paul Wickman of Belmont, Wisconsin.

Birthday Dinner

A delightful affair took place Sunday at the beautiful home of Mr. and Mrs. John R. Wilson, six miles northwest of the city. The affair was a dinner given in honor of John R. and Bemer Wilson whose birthdays occur at the same time and was planned and executed by Mrs. T. J. and Mrs. J. R. Wilson.

About 10:30 a. m. the guests began to arrive, some 75 in number laden with baskets filled with an abundance of the good things of life.

As the day was warm the people assembled on the spacious lawn where all enjoyed the occasion to the full. The superb list of good things was served cafeteria style with great satisfaction and of course much enjoyed by all. Music on the victrola and piano also served to add to the pleasure of the day. In addition to this there was a game of base ball between the men and boys and much enjoyed.

In the evening ice cream and cake were served which were excellent. At a late hour the guests departed with many good wishes for the two whose birthdays were so auspiciously remembered.

Among the guests were Mr. and Mrs. Thomas Wilson of Murrayville, and though well along in years they fully enjoyed the day; Mr. and Mrs. T. J. Wilson and family, Verner Wilson and family of Jacksonville; Charles Rousey and family, Mrs. Earl Rousey and family, Mr. and Mrs. C. V. Million, Peter Wilson and family of Murrayville; Mr. Beadlam and family of Beardstown, J. T. Green and family of Winchester, Harry Hayes and family of Nortonville, U. G. GRACE SUNDAY SCHOOL

All of the departments of Grace Sunday school appear to be standing up strong during the unusual weather of the vacation period. Assistant Superintendent S. J. Tompkins was in charge of the school on Sunday. There were in attendance 244 and the offering amounted to \$11.73. A meeting of the cabinet of the school was held Friday evening at the home of the Superintendent T. V. Hopper, that was unusually well attended and much good work accomplished.

Wednesday evening Mid-Week

prayer service in the basement, where it is nice and cool.

Thursday evening Scout Troup

Seven. The week's activities are as follows: Monday evening the women of the Opportunity circle will picnic at the church.

Tuesday afternoon the Home Missionary society will meet at three o'clock at the home of Mrs. F. H. Rowe, West State street.

HEAVY RAINFALL

Yesterday's downpour of rain was very heavy, according to record kept by G. H. Hall, weather observer at Alexander. Mr. Hall reported last night that 1 1/2 inches of rain had fallen during the day. The rain was badly needed in some parts of the county and will be very beneficial for both corn fields and pastures.

Don't miss the Kentuckians.

A Great Food Discovery

From Rameses I to the present time the whole wheat grain has been the most perfect food given to man. It contains in proper proportion all the elements needed for building and sustaining the perfect human body. The problem has been how to make the whole wheat grain digestible in the human stomach. That problem was solved by the man who invented

Shredded Wheat

In making Shredded Wheat Biscuit the whole wheat grains are first thoroughly cleaned (no small, broken or defective grains are used), then boiled in steam. The softened grains are then drawn into filmy, porous shreds, which are formed into biscuits (or little loaves) and baked in coal ovens at a high temperature. This process breaks down the starch cells in the center of the wheat so the digestive fluids can get at them. The mineral salts and vitamins (so necessary to normal growth) and the bran, which is needed to stimulate "bowel exercise," are retained.

Delicious for any meal with milk or cream, sliced bananas, raisins, prunes or other fruits.
